

Installation Instructions

Part Number: HA-8098

This Filter Fits: SEE CATALOG FOR CURRENT APPLICATIONS

Congratulations, you have just purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N air filter seals properly.

INSTALLATION:

1. Remove the stock air filter.
2. Remove the o-rings from the air box base and the lid.
3. Install the K&N Air Filter making sure it is completely seated.
Note: The K&N logo and air filter part number will be facing up.
4. Reinstall the air box lid.

THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.
