

# INSTALLATION INSTRUCTIONS

Part Number HA-1199

**This filter fits:** SEE CATALOG FOR CURRENT APPLICATIONS

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N Filtercharger® seals properly.

## INSTALLATION

- 1) Remove the stock air filter.
- 2) Remove the air filter sealing o-ring from the air box base. (Fig. 1)  
**NOTE:** Do not remove the outer air box lid sealing o-ring.
- 3) Apply a small amount of the provided K&N Sealing Grease in the air filter sealing groove. (Fig. 1)
- 4) Install the K&N Filtercharger®.  
**NOTE:** Make sure the air filter is completely seated in the sealing groove.
- 5) Reinstall the air box lid and tighten to factory specifications.

**THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.**
